Our Vision

St Charbel’s College is an Independent Maronite Catholic Co-educational K-12 school administered by the Lebanese Maronite Order of Monks.

St Charbel’s College promotes a love of learning and the Gospel values of justice, peace, love, compassion, acceptance, generosity and service.

We are committed to striving for academic excellence and providing educational experiences for young men and women to become:

- Life-long learners
- Competent, ethical decision makers and problem solvers
- Citizens who contribute to the community
- Compassionate and caring about service to others.

In doing so, everything we do is done for the Glory of God.

Religious Education

St Charbel’s College contributes uniquely to the Australian system of education. It is essentially a community of faith, based on belief in God and a Christian way of life. The Christian spirit and values permeate all areas of learning and school life, determining the whole atmosphere of the school. Our students are spiritually active through weekly liturgical services to instil a greater understanding of their Christian life and faith.

Pastoral Care

Pastoral Care permeates the total climate of relationships within the community of the Catholic school. It has the individual as its focus, and reflects the support, the encouragement, the care shown and experienced in the ethos of Gospel based communities. With its life-giving focus, it should enable all to grow, to be affirmed in their dignity and worth as persons, to appreciate themselves and to develop skill in building personal relationships.

Teaching and Learning

St Charbel’s College has a broad curriculum designed to encourage excellence and personal best.

Our programs include:

- NSW Board of Studies curriculum K-6 and Higher School Certificate
- Literacy and Numeracy programs
- Gifted and Talented programs
- Learning Support programs for students with special needs
- Transition programs from Primary to Secondary
- Integration of technology and ICT into learning and teaching
- Student leadership opportunities.

Bilingual Education

St Charbel’s College is a unique community consisting of a large percentage of students from Arabic speaking background. It is in this light that we develop the richness and value of bilingualism by including instruction in Arabic in addition to English for all students from Kindergarten through to Year 6.

In the Secondary school, students complete the mandatory 200 hour languages course in Years 7 & 8 in Arabic. A beginner’s course is also available for students who have no previous Arabic experience. Elective Arabic is offered in Years 9&10, and Arabic Continuers and Arabic Extension HSC courses are also offered.
