Welcome to Stage 3 2014! The Stage 3 students have settled into Years 5 and 6 successfully. A special welcome to the Year 5 students and their families. The school has been busy preparing for the Year 5 Welcome Back. This is a very worthwhile production.

The term so far has shown a general improvement in behaviour and there have been no reported incidents of bullying. We have taken a very firm line about this very serious problem and will continue to do so. The last 3 years have seen actors visit the school to perform role plays about anti bullying and this has helped us in our fight to stamp out this practice. Therefore, the actors have been invited back to present their role plays again and will be performing for Years 1-6 on 13th March. The plays are “Bully No More”, “The Bully Strikes Back” and “The Bully is Back”. This is a very worthwhile production.

Lots of activities are in the pipeline, excursions are planned and good times are ahead. I welcome all teachers, students and parents who have been a part of Stage 3’s progress in years gone by and I offer a warm welcome to our new families who have become a part of our school community.

I look forward to continuing success in all our endeavours.

Stage 3 Coordinator
Ms Marie-Claire Hawwa
Welcome to 2014! The family home is the most important space for parents and children share. It is not the size or material comforts that matter. It is the nurturing and loving environment that defines our family home. It is in the family home that young men and women develop an understanding for who they are and who is God. It is where children learn to form relationships and establish value systems that can shape their adult life. A wonderful achievement by our Year12 cohort. I hope that each student be aware of this great starting point for children in developing their relationship with Him in their adult life. In the High school this term, we are studying the following topics. I hope that students can be a talking point in your family home, a place where the heart learns to love.
