Issue 12

Term 3, Week 10, 2017

Principal's Message - Rev Fr Maroun Youssef

As the final days of Term 3 draw to a close, I would like to acknowledge the tremendous work done by so many of our students, staff and parents in our College community. The feast of the Exaltation of the Holy Cross was celebrated this week on 14 September. This is a very significant event in the Maronite Calendar as the liturgy of the cross is a triumphant liturgy. In order to follow Christ we must take up His cross, follow Him and become obedient until death, even if it means death on the cross. We identify with Christ on the Cross and become co-redeemers, sharing in His cross. Now more than ever during these troublesome times in the world and where we are faced with the challenge of our children and their children's future, we have the chance to "Say No" to same sex marriage as it will reap many detrimental effects on our future generations and we need to bare our cross together as one community and stand in favour to protect the rights of our churches' teachings, as willed by God in the Bible, ie. a unique relationship between a man and a woman.

"O cross, you are the glorious sign of victory. Through your power may we share in the triumph of Christ Jesus"

Our Year 12 students celebrated their graduation as they concluded 13 years of school. We are very proud of all our students and we will endeavour to keep them in our prayers as they prepare for their examinations of the Higher School Certificate. We wish them all the success that the future holds for them and pray that St Charbel will be their guide and protector in their life's journey.

I wish everybody a safe, enjoyable and blessed holiday.

Dear Parents/Guardians,

It is remarkable how quickly the term has come to an end; we have already finished Term 3. Looking back over the past 10 weeks I can honestly say that the children this term have had some amazing experiences. Apart from being immersed in the day to day curriculum we have had some great excursions and sports gala days where the children were involved and had a marvellous time. I wanted to bring to your attention the following items as we enter into the last term.

Sport, Term 4

The children will be taking part in the swimming program next term starting from Week 6. Please make sure to read all the notes that will be sent out closer to this event.

Food

We once again request of all parents that no food is sent into school to celebrate children's birthdays or other events. The reason for this is because many children have either food allergies or intolerance to certain foods. As a College we need to make sure that the safety of the children remains paramount in all that we do, so we ask all of our parents to be very mindful of this request.

Holidays

With the Term 3 holidays nearly upon us I wanted to remind parents to ensure that the children are kept busy for at least 30 minutes of each day with some sort of school work. Reading with your child for part of that time would be ideal. Reading a good book on a consistent basis can make a big difference to your child's reading ability, so please take the time to encourage reading with your children.

Finally, I wanted to remind all of our families that next term the children will be wearing the summer uniform. I wish to also remind about hats, please make sure your child is coming to school with their school hat as we are coming into the warmer months. Additionally, I encourage all of our families to make the time to come to the annual St. Charbel's Barbecue which takes place on Saturday 7th October from 5.30pm.

I hope everyone has a most enjoyable and relaxing 2 week holiday as we prepare to come back to a very busy Term 4.

God bless,

Director of Curriculum (7-12) - Mrs Karen Jubb

On Wednesday 13th September Kindergarten attended Golden Ridge Animal Farm. We had an amazing day and saw many animals that we have been learning about during the term, including goats, pigs, cows, horses and even alpacas! We participated in fun activities like feeding and patting the goats, milking a cow and having the opportunity to handle the baby animals. We all had a turn of holding ducklings, chicks and rabbits! Farmer Keegan showed us around the farm and taught us lots of new facts that we did not know - did you know that a baby rabbit is called a kitten?! On the way back Kindergarten was very tired, and a lot of us fell asleep on the bus!

Well done to Kindergarten for a fantastic day, and for following all instructions by their teachers!

Term 3 has been a wonderfully busy Term. Great learning has taken place in Year 5 and Year 6.

Book Week had us Escaping Everywhere- to Hogwarts, the land of Oz, Japan and Panema. Book Week showcased the passion and creativity of our students as they all became their favourite book characters.

Year 5 have been out and about visiting the Sydney Observatory and looking to the stars for their science unit. They took part in a study of the skies of the Southern Hemisphere while in the planetarium and got to look at the spots on the sun through the telescope.

Year 6 have been studying Japan for Geography and were lucky enough to have members from the Japanese Consulate in Sydney visit our school. They learnt about many aspects of Japanese life and culture both traditional and modern day. Mrs Cullinan became a model and was dressed in a beautiful Japanese Kimono.

Wishing you all a restful holiday break.

During Term 3 we have been involved in CBSA boys Aussie Rules, whereby we had a fantastic young team who went through the season undefeated under the guidance of Mr. Mudlair. Unfortunately, the boys didn't play their best game of the season in the semi-final and lost to a strong Cathedral team. Congratulations boys.

We also had three girls teams participating in SCC basketball and two girls teams in SCC soccer. As always we have strong teams, who play with good commitment but unfortunately for all five teams we missed out narrowly on making the semi-finals. Better luck next year.

On a better note our senior boys futsal team went to the NSW all school state championship. Unfortunately the boys lost in the semi-finals for the 2nd time in three years but still put on a mighty fine effort to come 3rd in a 'State Championships' with over 150 schools. However, they were able to make amends in the recent CBSA 5-a-side tournament by winning comfortably 7-2. It was an impressive win and the boys deserve a big round of applause. It was also their last competitive match as a team who has been together for the best part of 5 years. So the win caps off a fine run in football competitions, they will be missed!

Finally, big congratulations to Christina El Azzi in Year 9 on achieving a 'black belt' in Taekwondo. An exceptional effort from such a fine young lady, so we know not to mess with Christina.
